

## Entertains for Son.

Mrs. Mattie W. Coleman entertained Thursday night with a delightful six o'clock dinner in honor of the sixteenth birthday of her son Jerry.

The dining room was decorated most tastefully, the table being decorated in pink roses and in the center was the large cake containing sixteen lighted candles.

The guests were Mrs. Elizabeth Coleman, Capt. and Mrs. C. H. Petry, Mr. and Mrs. George E. Coleman, Mrs. C. V. Macheca, Miss Minnie L. Heilman and Miss Martha Coleman.

The occasion was a pleasant one and all present wished the young man many, many more such happy occasions.

## Automobilist Has Narrow Escape.

In attempting to make a rather sharp turn on Clay street near Sycamore Saturday afternoon Mr. John S. Frazer lost control of his machine and it plunged through the iron railing and over the stone wall adjoining the residence of Mr. John J. Walsh. Luckily the machine was not overturned and Mr. Frazer succeeded in running it out of the yard. Mr. Frazer was accompanied by Mrs. Frazer, neither of whom were hurt, but the machine was slightly damaged. Their escape was indeed miraculous.

## Guests At Oil Springs.

The following visitors were registered at Oil Springs the past week:

Dr. Paul Prewitt, wife and two boys, H. R. Mitchell, Leslie Guyn and Miss Rebecca Cockerell, Lexington; Jas. Buckner and W. E. Slattery, Paris; Jas. A. Boone, Winchester; Richard Stoffer, Robert Young, Kenney DeHaven, H. Clay McKee, wife and son, Reid McKee and wife, Tommy Tonkin, Misses Shackelford, Dora Robinson and Elizabeth Perry, Mt. Sterling; Mrs. Trimble McKee, New York; Miss Mankins and Miss J. Jenkins, Louisville.

## Install New Machine.

E. T. Hon & Co. have just installed a V. B. P. machine to use in slicing meat. This machine not only slices the meat any thickness desired but removes the skin at the same time. It is a self sharpening machine and is one of the latest on the market.

## New Elks.

At the last meeting of Mt. Sterling Lodge No. 723, B. P. O. Elks, Messrs. S. E. Kelly, A. R. Turley and W. Hord Tipton were initiated into the mysteries of the order.

Fancy creams and ices—special attention given to Sunday orders. Prompt delivery. F. G. Morris.

## WORKING HARD

### Business Men Start New Membership Campaign

Will Prove of Great Benefit to City and County.

The Business Men's Club is being reorganized and the membership will not be confined to only those in the city but all the business men in the county are invited and urged to join in this great movement, which will have for its main object the general uplift of our entire county. On last Thursday a group of our citizens started out to boom the club and there are now 146 members enrolled with their dues paid for one year. It is impossible to say all that a good live Business Men's Club can do for a city or county and now that the movement has started out so splendidly we hope the people will show the interest they should and that we will soon have at least 200 members enrolled. Let's all get together and pull for the things most needed by our community, and show that we are interested by attending the meetings of the club.

Let the slogan of the club be "Good Roads," and if we get them other good things will follow.

## Excursion Rates.

Commencing with Sunday, June 8th, the sale of Sunday excursion tickets at one fare plus 25 cents for the round trip to Lexington from Ashland and Mt. Sterling and intermediate stations where trains stop, good going on No. 25 and returning on No. 24, will be on sale. This arrangement will include each Sunday from June 8th to September 28th. 47-2t

## Work Started.

Contractor Dietz has started demolishing the Mt. Sterling National Bank building and has a large force at work. It is his intention to rush the work to completion as soon as practicable. The building when finished will be a modern one in every particular.

## Piano Recital.

Pupils of Miss Lida Goodpaster will give a piano recital at the High School Auditorium Thursday evening, May 29, at 8 o'clock. Friends and patrons cordially invited.

We bought of Mr. A. S. Hart several silage-fed steers; nothing better ever been sold on this market. Greenwade.

## He's Going Away From Here

This man is evidently in a hurry. He is going away from here. You never can get some men into action without a powerful stimulus. You can hardly say this man is having a bully time, although the bull may be. It is all in the point of view.

Anyway, the man is going some, and THAT IS GOOD FOR HIM, or is it he goes fast enough. He has developed a burst of speed for once in his life.

It is good to get into action.

It is good for the individual and even better for the community.

THIS TOWN WANTS TO GET INTO ACTION. That means we as individuals want to get into action for the town. We want to get a move on.

The census shows that this country is increasing in population at the rate of nearly 2,000,000 per year.

These people have to settle somewhere.

WHY NOT HERE?

We may not be able to get the whole 2,000,000, but even a fraction will help.

Why not go after them?

We believe this is a good town else we would not live here.

Why not tell others and let them SHARE ITS BLESSINGS?

## Winchester Will Have

### Post-Office Primary.

At a mass meeting remarkable for enthusiasm the Clark County Committee Saturday decided unanimously in favor of holding a primary for the selection of a successor to Postmaster John G. White, whose resignation has been requested by the Post-office Department. June 28 was fixed as the date of the primary. It was decided also that the open ballot or viva voce voting should prevail and that every Democratic voter in the county should be permitted to participate in this primary.

Officers to serve in the primary will be chosen on June 21, at which date entries will close. An entrance fee of \$50 will be charged each candidate and if the sum thus realized is not sufficient to cover the expenses of the primary, the successful candidate must make good the deficit. It is the first time in the history of the city that the postmaster has been chosen by any means other than by appointment.

When it became known that White would be ousted, the matter of a primary was agitated until sentiment was vigorously in favor of it. The Winchester Daily Sun issued a petition and more than 700 names were affixed.

Congressman Cantrill, in a short talk, had the audience with him. In the course of his remarks he stated that papers in defense of White had been put on file in Washington and that it is probable the postmaster would not be ejected from the office. He declared himself in favor of the open ballot in the primary.

## In Honor of Mrs. E. S. Helburn.

Mr. and Mrs. J. S. Frazer entertained with a delightful six o'clock luncheon Thursday in honor of Mrs. E. S. Helburn, of Middlesboro.

The palatial home was never more beautiful in its decorations of flowers and plants and the delicious course luncheon was most thoroughly enjoyed.

The guests were: Mrs. Helburn, Mr. and Mrs. S. M. Whitehead, Mr. and Mrs. John Stoffer, Miss Louise Tabb, Mr. R. H. White and Mr. Squire Turner.

### 4th of July Celebration.

A movement is on foot to have a Fourth of July celebration and a number of our prominent business men have been out soliciting subscriptions for the past two days. They have met with much encouragement and it now looks as if it is almost a certainty. A celebration of this character always draws a large crowd to this city thereby proving beneficial to our merchants as well as affording amusement to many on our Great National Holiday. It is hoped that all of those who are not in on this movement will come in at once with a liberal donation.

## Choral Club.

The Choral Club will meet at the Methodist Church next Monday night at 7:30 o'clock. A full attendance is desired.

## New Cincinnati Daily.

A new paper will soon be launched in Cincinnati, called the Cincinnati American. It will be located at 122-124 East Seventh street, right in the down-town district, and will be a Bull Moose publication. It will be a one-cent morning paper, using three machines of two shifts to get out the editions. Otto Lightner, who will head the company publishing the paper, has informed M. L. Gross, acting business agent, that all departments will be strictly union.

Every article in our store at Cut Prices. The Rogers Co.

## Move Houses.

Mr. G. L. Kirkpatrick purchased from the Farmers Tobacco Warehouse Company the two houses situated on the lots recently purchased by them, and has had them moved to his lot on West Locust street. The erection of the new warehouse will be started within the next few weeks.

## New Tailor Shop

### Ready for Business.

Mr. George E. Heath has opened a custom tailor shop in this city on the second floor of the Tyler-Apperson block. Mr. Heath comes to our city highly recommended as a workman and a gentleman and will no doubt soon build up a nice business.

## SPLENDID WOMAN

### Dies At Her Home in St. Louis Saturday, Aged 72

Was Mother of Col. S. M. Newmeyer, of This City.

Word was received here Sunday announcing the death of Mrs. Sophia Newmeyer at the home of her daughter, Mrs. Fred Hays, in St. Louis Saturday night, death being due to the infirmities of old age, she being seventy-two years old. She is survived by two children, Mrs. Fred Hays, of St. Louis and Col. S. M. Newmeyer, proprietor of the Louisville Store, of this city and one sister, Mrs. Minnie Blum, who resides with Mr. Newmeyer.

Her body was shipped to Louisville and interment took place Tuesday morning. Mrs. Newmeyer was a most excellent woman and Col. Newmeyer's many friends will learn with regret of his loss.

The biggest Cut Price Sale of the season is now on The Rogers Co.

## Another Bank to be Remodeled.

The Traders National Bank directors have decided to remodel their building and will on the first of June move to the room formerly occupied by the postoffice until their building can be finished. When completed they will have one of the nicest banking rooms in this section of the State.

Full line of green vegetables at Greenwade's.

## Sells Business.

Mr. J. A. Trimble has sold his store property at Camargo to Everett and Glenn Stafford, possession to be given about October 1st. Mr. Trimble has let the contract for a new store and will continue in business.

## A Pleasant Affair.

The banquet given Friday night by the members of the Men's Bible Class of the Presbyterian Sunday School to their pastor and a few friends, was one of the most enjoyable social events of the season. The hospitable mansion of the Appersons on the hill was thrown open for the occasion and an elegant supper was served under the direction and supervision of Mesdames Gaitskill, Stoffer, Roberts, Vansant, Nunneley and Miss Mary Apperson.

There was a profusion of flowers, a genial informality, a feast of reason and a flow of soul, and the guests suggested that they would be glad to attend a similar function at an early date.

## Miss Allene Paxton

### to Become Bride.

Mr. and Mrs. W. O. Paxton, of the Ritz-Carlton Court, New York, have announced the engagement of their daughter, Allene Randolph, to Mr. Harry Bauer, of New York and Chicago.

Miss Paxton is a charming and attractive girl and is well known in this city, where she has often visited her uncle, Mr. Claude Paxton, and has many admiring friends here who will be interested to learn of her approaching wedding.

## Winchester Court.

Court day was a busier day for the candidates than for stock traders and but few transactions were made. A good crowd was in town. There were about 300 cattle on the market at Hamilton's stock yards and the sales were slow. L. S. Hamilton bought a car load of hogs at an average price of \$7.85.

If you want a beautiful Trimmed Hat worth \$4 and \$5 for \$2.50, cash, call on Mrs. Greenwade Saturday.

## Farmers' Tobacco Warehouse

### Selects New Manager.

The directors of the Farmers' Tobacco Warehouse Co. have met and selected Mr. John Crockett, of Bath county, as manager for the coming year to succeed Mr. D. W. Ratcliff. Mr. Crockett is an experienced tobacco man and a splendid gentleman and we are glad the board made such an excellent selection.

### FRECKLE-FACE

Sun and Wind Bring Out Ugly  
Spots, How to Remove Easily.

Here's a chance, Miss Freckle-  
face, to try a remedy for  
freckles with the guarantee of a  
reliable dealer that it will not cost  
you a penny unless it removes the  
freckles; while it does give you a  
clear complexion the expense is  
trifling.

Simply get an ounce of othine—  
double strength from Wm. S.  
Lloyd, and a few applications  
should show you how easy it is to  
rid yourself of the homely freckles  
and get a beautiful complexion.  
Rarely is more than one ounce  
needed for the worst case.

Be sure to ask the druggist for  
the double strength othine as this  
is the prescription sold under  
guarantee of money back if it fails  
to remove freckles. 41-etc.

### Another Bumper Crop Year Indicated.

It is rare that we have two  
bumper crops in years immediately  
succeeding each other, but if the  
government May report is to be  
relied upon even last year's high  
record will be broken. The report  
just issued by the Department of  
Agriculture shows the largest win-  
ter wheat acreage ever known in  
this country to be in fine condition,  
with an estimated excess over last  
year's crop of more than one hun-  
dred million bushels. The rye  
crop is estimated at five million  
bushels in excess and the new  
high record for hay, which was es-  
tablished last year, will be beaten  
this year, with a stock on hand at  
this time double as large as it was  
a year ago.

Nature seems to be smiling its  
broadest smile upon us, and unless  
something unforeseen happens pros-  
perity will continue and increase.  
The Republicans have all along  
been claiming the credit for the  
good crops. It seems that they  
are to continue even under Demo-  
cratic rule. To move this bumper  
crop will take more money than  
can be supplied under present con-  
ditions. The strain last fall was  
almost greater than the country  
could bear. Thus forewarned  
Congress should get busy and give  
the country a banking and cur-  
rency system that can withstand  
such strains, and not permit the  
basic wealth of the country to be-  
come a menace, as it does under  
the present system.

## PARIS GETS THE NEXT C.W.B.M. CONVENTION

Cynthiana Meeting Adjourns After the Election of Officers

### LOCAL PEOPLE ON PROGRAM

The session of the Tenth Annual Bible School Convention of the Eighth District closed at Cynthiana Wednesday. It was opened at 9 o'clock at the Christian Church, with the president, Rev. W. G. Eldred, of Carlisle, presiding. The Devotional Bible Study was given by Rev. J. W. Ligon, of North Middletown. The State worker, W. E. Frazee, conducted the conference on "The Front Rank Standard," giving the requirements by which Bible Schools may become front rank schools—worker's conference, teacher training, graded lessons, a specified per cent of Bibles, organized classes, evangelistic and missionary service.

The president gave an address on "The trained Church." He emphasized his remarks by a concrete example of the way a church may become a trained church, by bringing before the convention seven little girls of Carlisle, who, under the direction of the primary superintendent, recited the books of the Old and New Testament, names of the Prophets and Apostles, Twenty-third Psalm, sixteen verses of the fifth chapter of Matthew and the Lord's Prayer and sang two songs.

Miss Hazel Lewis, the national elementary superintendent, was present and gave a most delightful talk on "Our Place in the Line," and led a conference on departmental work. Miss Lewis is a woman thoroughly alive to all the possibilities of the young and her work at the convention was helpful and inspiring. Miss Lewis will be on the program twice a day during the School of Methods to be held at the Lexington College of the Bible June 16 to 27.

Rev. H. D. Clark, the revered pastor, of the Mt. Sterling church, stirred the audience with "On to Bowling Green," that town being the place of the next State Convention in October. Rev. J. H. MacNeill, of Winchester, gave a stirring address on the subject of "The Pastor's Place in the Bible School."

The report of Secretary B. W. Trimble, of Mt. Sterling, was read, giving the statistics of the counties of this district. There are fifty-six Bible Schools in the district, thirty-eight sending in reports. Twenty-nine schools were represented in the convention, with 148 delegates present, a better record than any district that has held a convention this year.

The amount of money raised by the schools for all purposes this year was \$2,534.81. Special attention was called to "The New Crusade," a movement launched at the National convention in 1912 by which 500,000 should be won to Christ from the Bible schools in five years. The apportionment for Kentucky is 50,000. The report of the nominating committee was made and unanimously adopted as follows:

For President, Rev. J. D. Annistead, Cynthiana; Vice President, R. C. Prewitt, Winchester; Secretary, B. W. Trimble, Mt. Sterling.

The committee on future work, recommended that definite emphasis be laid on the call of the New Crusade, that all Bible schools be urged to strive to reach the front rank standard, that all officers and teachers make an effort to attend the Lexington School of Methods, that strong effort be made to have the Weekly Bulletin in every family in the district.

The convention next year will meet at Paris, the time to be determined later.

The meeting adjourned till the evening session, when Prof. Bowler, of Lexington, spoke on "Christian Education."

## TROTTER HORSE NEWS.

William F. Byrd, of this county, this week farmed to John W. Barbridge, of this city, his famous brood mare, Minnie Byrd, by J. H. L., 2:08½, for \$150. Minnie Byrd is the dam of the sensational, grey pacing gelding, Pete, by Aleco, 2:10, and is destined to prove a great brood mare. Minnie Byrd will be sent to the court of Mainleaf, 2:08½.

Billy Boy, a bay gelding, driven by H. B. VanEvera at the local track is destined to be one of the best pacers at the track, if not in the State. This horse was sired by Aleco, 2:10, out of a mare by Vatican, he by Vasco. Billy Boy has only been in training about 30 days, and was thin in flesh when brought to the barn. On the 21st day Billy Boy was driven an eighth of a mile in 16½ seconds, a 2:12 gait, and could have gone faster. It is believed that Billy Boy possesses 2 minute speed and will prove a wonder. He is good headed and game, and all who have seen him are loud in their praise and predict that he will secure a very low record if started this season. Billy Boy is owned by James M. Mallory, of this county, and is, in reality, one of the best prospects for the green pacing classes in the country.

Charles Bean received two new horses this week which he will train this season. One was a bay mare from Dr. McClure, of Winchester, and the other a six-year-old horse belonging to Ed Young, of Bath county. Both are said to be quite promising as to speed.

Charles Biggers, of Maysville, was here this week, bringing a mare to the court of J. Malcolm Forbes. The mare was Miss Ernst, 2:17½, and is one of the best bred ones in the country. Mr. Biggers says that he considers J. Malcolm Forbes the greatest sire of trotters in the world.

The stable of Frazee Hart, at the local track, is being jogged daily and brushed along, and seem to be doing very well. There is a pretty good brown gelding and mare in the stable and an exceptionally good gaited sorrel stallion by Crystallion. Mr. Hart is going slow with these horses, but will have some of them ready to race at the Montgomery County Fair in July.

The black mare, Omyree, with Bert VanEvera up, and Albert O., driven by Hensley, went a coking good mile at the track Tuesday, finishing heads apart in 2:24½, with the last half in 1:10, and they were "flying" at the finish. Both horses seem to be in the pink of condition and can beat '20 any time they are asked.

The two-year-old race at the Montgomery County Fair should be quite a good contest with J. Forbes, Hugh Miller, the Gillaspie mare, and Little's Silent Brook and Tregantle mares in the race. All are exceptionally good, and will make quite a fast mile by the latter part of July.

Rumor has it that there are a bunch of good trotters and pacers in training in Madison county, and that they are getting ready for the opening of the races in this city, while W. G. Douglass, at Winchester is making his arrangements to start his horses here in July, and from all reports he will have several good ones.—Blue Grass Journal.

## MULE SALES.

M. F. O'Rear sold Monday a pair of small yearling mules to Harrison French, of Salyersville, Magoffin county, at \$150.

Alex Banks bought three head of mules here this week, a nice pair at \$275 and a single mule at \$85.

John M. Adams sold this week to a Mr. Penix, of Jenkins, Ky., a nice pair of horse mules at \$300, and a single mule at \$135.

Gentry & Thompson, of Lexington, bought here this week a nice pair of horse mules at \$425.

Fletcher Mann, of Lexington, bought here this week a nice pair of horse mules at \$400.—Blue Grass Journal.

## TOBACCO DEPARTMENT.

Good tobacco seasons all over Montgomery county during the past week, caused hundreds of acres to be set out. Hands were high and scarce. The plants in many fields are exceptionally good, while in others they are a little scant. There is some complaint of scarcity of plants by many growers; it is claimed that insects have caused considerable damage, yet many growers have too many and as a consequence there will be plenty for to set the acreage. The season has been a good one all over Central Kentucky. From present indications most of the weed will be set out by June 5, although there may be some growers who will not finish before the tenth.

We are fearful that tobacco men all over Central Kentucky are going to make the mistake that they have always made, that of putting in more tobacco than they can properly take care of, and thus lose out in the end. It seems as if the tobacco men cannot be taught a lesson, even though it costs them much money.—Blue Grass Journal.

The mind is like a melon, it must either ripen or rot.

Every little while we hear that a new devil has appeared to pester men. But it is always the same old devil. And the devil is not so hard to handle as is generally believed. He has nothing to offer you that pays as well as behaving yourself. And I believe the devil admires a man who has sense enough to hate folly.

### AN URGENT NEED.

We are delighted to see the Courier-Journal making a determined effort to educate the people of Kentucky to the needs and merits of the commission plan of government in county affairs.

It is quite right when it says: "The roads can be improved by abolishing the Fiscal Court—a tried and proven failure—and establishing a modern plan of road making."

Mr. Reader, if you have the best interests of your county at heart; want to see our roads improved by the elimination of graft and inefficiency and the business of the county intelligently, economically and promptly handled, vote and work for the commission plan this fall. Don't cling to the old, out-of-date method. As we have before said, we have no quarrel with the members of the Fiscal Court personally, but the method is all wrong, hence we hope Montgomery county will keep abreast of the times and get in the "commission plan" band wagon at the earliest possible moment.

## ONE WAY TO IMPROVE OUR ROADS.

All recognized authorities agree that the time to work turnpikes and dirt roads in particular, is in the spring, so that the summer travel on them will cause them to become firm and hard for winter use.

The King Split Log Drag is admitted to be the best, simplest and most inexpensive method of improving dirt roads. We have therefore taken the trouble to investigate this method and, through the kindness of the Louisville & Nashville Railroad Company, we are able to submit several cuts showing the King Split Log Drag and its workings. We hope our County Road Engineer and Fiscal Court will look carefully into this subject and endeavor to improve our roads by this method.

This drag is very simple and inexpensive as shown by the following illustration:

The idea is a likewise a simple one and, in a nutshell, is this: Make the surface of the road round and smooth so water cannot mix with loose earth and make mud. The average dirt road in winter looks like this:

In process of construction it has this appearance:

When improved and finished by using the King Split Log Drag the same road, at a very nominal cost, is made to look like this:

Nothing improves and elevates a community like good roads, and from time to time we hope to be able to submit for the consideration of our readers and our officials in particular, suggestions for the improvement of both our roads and turnpikes, and if by so doing we can awaken sufficient interest to cause a forward step to be taken in this direction, we shall feel amply repaid for our efforts.

### President Denounces Lobby.

President Wilson stirred Congressional circles with an emphatic statement denouncing the "industrious" and "insidious" lobby in Washington, attempting to create public sentiment against certain features of the Underwood tariff bill. This was accepted at the Capitol as referring to the unusual efforts being made against free raw wool and free sugar.

A plentiful crop of strawberries at reasonable prices, is another glorious jolt for the knockers who feared everything would gall to the devil when the Democrats assumed the reins.—Lexington Herald.

### Says He Was Justified in Calling Roosevelt Liar and Drunkard.

George A. Newett, publisher of the Ishpeming (Mich.) Iron Ore, who is the defendant in a libel suit brought by Theodore Roosevelt, insists that he was justified in calling Theodore Roosevelt a liar and a drunkard during the presidential campaign last year. The statement in Newett's paper to which Roosevelt objected, was as follows:

"Roosevelt lies and curses in a most disgusting way. He gets drunk, too, and that not infrequently, and all his intimates know about it."

### Gay Wins Cup.

The first day's shoot of the Kentucky Trap Shooters' League in the Regular State tournament, held at Winchester, Thursday, forty shooters were on hand. They shot all day in the rain and some fine scores were made. In the race for the Kentucky State Challenge Cup J. D. Gay won by breaking 96 out of 100. J. D. Goff tied him but lost on a shoot off, making 22 to 23 for Gay out of 25.

## Rudolfo Wins Handicap.

Rudolfo, a four-year-old colt, well ridden by Jockey Loftus won the Kentucky Handicap, the richest American turf event, at Douglas Park Monday and set a new track record of 2:05 4/5 for the mile and a quarter.

Officially the track was pronounced "good" but the track record was equalled once and broken three times in the six races of the opening program of the meeting.

The eleven starters in the handicap included some of the crack three-year-olds that have shown class at the spring meetings, but the race went to an older horse and gained a point for those who contend a really good horse is at its best as a four-year-old. Ten Point was second with Any Port third.

Try a fancy steak from silage-fed cattle. Greenwade.

## Fire at Versailles.

Versailles was visited by a \$15,000 fire Monday night. The property either destroyed or damaged was: A livery stable owned by W. L. Chapman, a two-story brick building occupied by a negro physician, the negro Odd Fellows' hall, a pool room, grocery and a residence of John H. Berryman, occupied by W. H. Montague. The fire originated in the livery stable, which was a complete loss, but all the horses were saved. The loss was partly covered by insurance.

Don't fail to see the fine line of Trimmed Hats that go for \$2.50 at Mrs. Greenwade's Saturday.

**Holiday Will Case Postponed.**

The famous Holiday will ease, for the trial of which a special term of the Clark Circuit Court was set for May 26, has been continued until June 27. The case is of much interest, as it involves an estate worth \$100,000. A strenuous effort is being made to break the will.

## HARDTACK IN THE NAVY.

For some years hardtack has been pretty much cut out in the navy, although it makes a fine ration for hard work and active service. Several tons have been shipped down toward Cuba. Canned beans are good to stick to a marine's ribs and to keep out the bullets, so a few gross of cases of them have been rushed on to take the place of the little old-time navy beans which have to be cooked some hours to get them soft and well done. Canned beans are pretty good for marching.—New York Press.

### SALES AND NEWS ITEMS.

Mat C. Clay, Insurance Commissioner, purchased Saturday of Clark Pieratt a fancy grey driving pony, one of the best in the State, for \$200.

Henry S. Caywood, of North Middletown, Ky., purchased Monday from Mr. Hampton a nice driving horse for \$190.

John W. Boardman sold the past week a nice driving horse, lady broke, to S. R. Adamson, this city, for \$160.

J. B. Cecil, whose home was burned last week, sold this week to I. F. Tabb his tract of land on the Maysville pike for a private price.

John M. Adams sold this week a bunch of nice 100-lb. hogs for which he received 8½¢ per pound.

Ben Murphy sold this week to a West Virginia party a nice 5-year-old horse for \$155.

Hord Armstrong, of Flemingsburg, bought in this city the past week seven head of horses at prices ranging from \$125 to \$150 each.

J. H. Smith, of Cynthiana, purchased on this market this week five horses for the Pennsylvania market at prices ranging from \$150 to \$200 each.

Last Friday night a fine brood mare, belonging to Ed Toy, of the Stoops neighborhood, was struck by lightning and killed. A fine mare mule colt was left an orphan unhurt. The mare was valued at \$200.

Charles Clark, of the Plum Lick neighborhood, sold the past week to Brent Brothers, of Paris, 10,000 bushels of blue grass seed at 82½¢ per bushel.

Boardman Brothers, of Bourbon county, purchased this week of Dennis Richie, of this county, a nice milch cow for \$75.

In Woodford county this week a severe rain and hail storm occurred, and a heavy loss to farmers resulted. Wind blew wild and barns were unroofed, trees blown down and fencing taken away. There were a number of tobacco beds cut to pieces and destroyed and many farmers will be without sufficient plants to finish setting their crops. Great gullies were washed in ploughed fields and the life beaten out of much soil. Corn that was up and out to pieces by the hail. It is said that the loss will reach into the thousands of dollars.

In Fayette county two very fine colts belonging to J. L. Tarlton were caught in a field by some worthless dogs and killed. The colts were valued at \$1,000. Two of the dogs were caught and killed.

A wholesale destruction of tobacco plant beds by vandals has occurred in the Fredonia Valley, Bethlehem and Farmersville sections of Caldwell county. Some forty or fifty beds have been destroyed by scraping in these sections. Practically every section of that county has been visited by destroyers of tobacco plants within the last six weeks, and if these night rider depredations continue it will be difficult to procure enough plants to furnish a crop of tobacco sufficient to supply the farmers for their own personal use of the weed.—Blue Grass Journal.

### DANGER IN DELAY

#### Kidney Diseases Are Too Dangerous For Mt. Sterling People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't forget your kidneys. Help the kidneys with Doan's Kidney Pills, which are so strongly recommended right here in Mt. Sterling.

S. T. Greene, 62 Holt avenue, Mt. Sterling, Ky., says: "I had a great deal of trouble from my kidneys. The kidney action was too frequent, especially at night, but the flow of secretions was scanty. The secretions also contained sediment. My back ached and I had pains through my sides. Seeing Doan's Kidney Pills advertised, I got a supply at Duerson's drug store and used them. They brought the best results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

### Blackhead in Turkeys.

In many localities the growing of turkeys has become almost extinct as the result of a malignant parasitic disease known as blackhead. This disease is not only extremely contagious but it is very much aggravated through inbreeding, which depletes the vitality of the stock of breeding turkeys and makes it possible for the germs to gain a destructive foothold. It is called "Blackhead" because the heads of those affected turn yellow or black, but this is only a symptom, as the seat of the disease is in the liver and intestines. It is usually contracted from other fowls, but it is primarily caused by the absence or deficiency of mineral elements in the feed, which, owing to the semi-domestic nature of the turkey, are an essential aid to proper food digestion. In its wild state the turkey was accustomed to supply itself with these elements, which are found in minute portions in various grains, seeds and grasses, and this disease is unknown to the wild turkey. It has been claimed that there is no known specific for this destructive disease, but a preparation that is being marketed under the name of Bourbon Poultry Cure has proven a most efficacious remedy for the cure and prevention of this ailment, and large turkey raisers are using it with great success, many say they have saved their birds with it after having lost half their flock. The disease is most prevalent in the summer months and at the beginning of cold weather in the fall.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

# MR. HENRY PECK AND HIS FAMILY AFFAIRS

## SADDLE HORSE GOSSIP.

Henry S. Caywood and McCray Brothers, of North Middletown, have formed a partnership and will put out a large stable of show horses this year. They will visit all the Kentucky Fairs and will make their initial show at the Montgomery County Fair held in this city the week of July 23-26 inclusive. This firm has already a number of high-class show horses, and will have a full stable when they start. Among their best prospects is a five-gaited roan

mare for the aged saddle classes, and those who have seen her, pronounce her a second Jack Straw as to "doin'" things. She has the style, the action and the way of going that makes a winner, and in the hands of this hustling combination we look to see her one of the really sensational show horses in the State.

Messrs. Matlack & Shropshire, of Winchester, purchased the past week of Undulatta Farms, Shelbyville, the harness mare, Belle of Undulatta, and the mare will be shown by "Exquisite Billy" Shrop-

shire this year. Belle of Undulatta is a bay mare, six years old, and is considered one of the best harness mares in the country. She was sired by Montgomery Chief, out of Lena Jamison, by Highland Denmark; 2 dam Daisy Jamison by Chester Dare, and with her breeding, wonderful action, style and manners she would be a very successful mare in the harness classes. The price paid was a private one, but is known to be a high one.

Walter Baker, of Lexington, was here the past week, and

bought a nice saddle gelding from Nicholas county parties at \$260. The gelding was sired by Highland Gay, has four white feet and is considered one of the best prospects for the show ring this station ever sired, and that is saying a great deal. The dam of the gelding by Bourbon Chief. Bart Wilson made the sale to Mr. Baker.

A. B. Setters, of this city, sold Monday to West Virginia parties his two-year-old saddle horse for \$200. This horse was sired by Star Emerald, and out of Coronation, by Stephens' LeGrand, and is a show prospect. He has been ridden a few times, and is really a very cheap horse. He will be shown in West Virginia by his new owners.

Ray Moss sold this week to Alvin Hon, a black yearling filly for a private price. The filly was sired by Emerald Ray, and was out of a mare by The Victor, a blue ribbon winner.

Judge John W. Riley, of Morehead, was here this week and purchased from Thomas Hinkle, a nice black saddle horse for his own use. The price paid was \$200.

Green Spurlock, of Loinbard, Ky., sold this week to West Virginia parties a two-year-old chestnut stallion, with white markings, for a fancy price. This horse was sired by Emerald Ray, dam by Goldust and is said to be a nice one.

William Collins, of North Middletown, was at the Greenville, North Carolina Horse Show this week with his great walk, trot gelding, Foxy Phil, and was the winner of several premiums, the gelding being pronounced the "wonder" of the show. Mr. Collins was also successful with the gaited horse, Tidal Wave, by Bourbon Chief, Jr., which Collins & Son sold recently. Tidal Wave is a five-gaited horse and was the winner in his class. He is said to be an exceptionally good horse this year.

Lord Bourbon, one of the greatest harness stallions in the country, will represent the stable of Edgar T. Doty, of Richmond, in the harness classes this year, and he is said to be much better than ever.

The great harness mare, Golden Girl, owned by W. H. Northeutt, of Cynthia, will again be in the stable of John Feagan, of Brookville, this year. Golden Girl has wintered fine and is being worked for speed, and is sure learning, as she has been a quarter this month in 42 seconds. Mr. Northeutt says that Golden Girl is as sound as a new dollar, and will demonstrate this year that there is not a harness mare in the world that can take her measure.—Blue Grass Journal.

## Too Much Rain.

Central Kentucky was visited this week with hard, washing rains and much damage was done. The rains made good tobacco seasons, but at the same time injured ploughed hillsides a great deal. The weather was slightly cooler and "cut worms" became very busy and did considerable damage, especially to corn. The rains were very hard in this section, and much of the soil was washed away. The rains proved beneficial to blue grass pastures, gardens and meadows.

## Louisville Boosters Have

Come and Gone.

In speaking of their stay here the Courier-Journal had the following to say:

GLAD HAND AT MT. STERLING.

"Mt. Sterling, styled gateway city both to the mountains and to the Bluegrass, extended a typical Central Kentucky welcome—a welcome which Winchester strove hard to surpass.

Hundreds were waiting at the Mt. Sterling station for the Boosters, who participated in one of the most pretentious parades of the trip through the business section. Arriving at the courthouse square, the crowd gathered on the grass and braved the lowering clouds as they heard the speakers. John G. Winn, a banker, made a cordial address of greeting and introduced Mr. Cassell, manager of the Booster disputation of orators. Mr. Cassell was quick to note the beauty and number the Bluegrass belles in the gathering. Dr. Tuley next spoke, dwelling upon the State-wide scope of the new platform of the Commercial Club, pointing out that it is designed to enable Louisville to aid the entire State.

Mayor Head then told the people of Mt. Sterling why the Boosters were there. He told them to come to Louisville and see her beauties.

Dr. Ben Bruner, discussing the Perry Centennial celebration, said that the Mt. Sterling men were invited not only to visit Louisville during the celebration, but were urged to come at all times. Commissioner Newman told about the State Fair and added a few words about the resources of Kentucky.

Hardly had he concluded when the threatened rain materialized and the crowd was driven to cover. The "cover" proved to hold a surprise, however, for the Boosters found in the courthouse a number of young women who served them with punch. After the rain ceased, the Boosters spent some time looking over the little city. The start for Winchester was made at 4:15 o'clock Wednesday afternoon.

## RALEIGH. N. C. CHILD

## Made Strong and Well by Vinol.

When we tell you that Vinol is the best remedy in our whole stock for making weak, puny, ailing children strong, robust and rasy, we are only telling you what has been proved by hundreds of mothers.

Mrs. W. O. Strother, Raleigh, N. C., says: "My little girl, Hazel, has been taking Vinol to build her up after a severe spell of sickness. It has done so much good by restoring her appetite and building up her strength that I think Vinol is the finest tonic ever prepared, and I am telling everyone about it."

What Vinol did for this little girl it will do for very weak and ailing child, because sickly children need the strengthening cod liver elements and the tonic from that Vinol contains—that is why Vinol builds them up quickly and gives them a fine, healthy color. It is pleasant to take, and we guarantee that the results will satisfy you—money back if they do not.

# Comparative Digestibility of Food

Made with different Baking Powders

From a Series of Elaborate Chemical Tests:

An equal quantity of bread (biscuit) was made with each of three different kinds of baking powder—cream of tartar, phosphate, and alum—and submitted separately to the action of the digestive fluid, each for the same length of time.

The relative percentage of the food digested is shown as follows:

Bread made with  
Royal Cream of Tartar Powder:  
**100 Per Cent. Digested**

Bread made with  
phosphate powder:  
**68 1/4 Per Cent. Digested**

Bread made with  
alum powder:  
**67 3/4 Per Cent. Digested**

These tests, which are absolutely reliable and unprejudiced, make plain a fact of great importance to everyone: Food raised with Royal, a cream of tartar Baking Powder, is shown to be entirely digestible, while the alum and phosphate powders are found to largely retard the digestion of the food made from them.

Undigested food is not only wasted food, but it is the source of very many bodily ailments.

The question whether that section of the State primary law which provides that a candidate for the nomination must state that he supported the nominees of the primary of the party at the last regular election is in violation of Section 147 of the constitution and is invalid will be tested in the Appellate Court in the case of Paul C. Hager, Clerk of Johnson county, against E. W. Robinson, a prospective candidate for Assessor.

Hager refused to accept the petition of Robinson because it did not comply with that section of the law. Robinson sued out a mandamus to compel him to accept and he was sustained by the lower court. The hearing was set for May 30.

Robinson will be represented by Judge R. H. Winn, of this city, and Judges H. W. Batson and George Du Relle, of Louisville. The Attorney General will defend the law.

## Lexington's Sunday Clubs to be Investigated.

In order that Commissioner of Public Safety George Land may know whether so-called "clubs," which sell coupon tickets or "membership tickets" and thus evade the Sunday closing law in maintaining a full-fledged "club bar" upstairs over cafes or regular saloons on Sundays, are merely evading the law or have a real legal standing with other clubs, which confine their privileges to actual year-to-year members, the Board of City Commissioners at Monday's regular session, beginning at 10 o'clock in the morning, asked City Solicitor James G. Denny to investigate and report on whether these places should not be closed along with regular saloons.

## Six Candidates Announced for Winchester Post Office.

Following the decision of the Clark County Democratic Committee Saturday that a primary should be held for the purpose of selecting a postmaster for Winchester, June 28, a number of new candidates entered the race and the ones who had been mentioned proceeded to "get busy."

Cards of announcement have already been issued by J. E. Black, W. D. Clark, Sr., J. Scott Renick, C. B. McCord, W. Taylor Fox and Miss Nannie Hood Tucker. It is reported there will probably be fifteen candidates.
